15. The Southcoast Medical group has closed its primary care practice in Richmond Hill and it also closed all of its cardiology practices. However the medical group added the cardiology practice in Garden City. Update your database to reflect the new changes.

The screenshot shows the MySQL Workbench interface. The SQL editor contains the following query:

```
-- The Southcoast Medical group has closed its primary care practice in Richmond Hill and it also closed all of its cardiology practices.
-- However, the medical group added the cardiology practice in Garden City. Update your database to reflect the new changes.

DELETE FROM Med_Ests
WHERE (Med_Name = 'Southcoast Medical Group' AND Med_Specialty = 'Primary Care' AND Med_Loc LIKE 'Richmond HillX')
OR (Med_Name = 'Southcoast Medical Group' AND Med_Specialty = 'Cardiology');

SELECT * FROM Med_Ests;
```

The result grid displays the following data:
